

Extraction Party

Mountain Springs Community Center

Saturday, August 20th, 2pm – til?

(The food will start to be served at 4pm.)

- Frames of honey (You can bring them in the super with something underneath to catch honey drips.)
- Food grade bucket (with gate), you need a 5gal bucket for every 2 full medium supers. A 5gal bucket holds 60 lbs. You will get 20-30lbs per full super.
- Gallon Ziploc bags or 1-2 gal container with sealable lid for cappings.
- Trash bags or you can use the super box with something underneath to catch honey drips for sticky empty frames.
- **Please remove as many live bees as possible from frames!**
- Side dish or desert, we are going with TexMex again this year.
(EFBA will provide beef and chicken fajitas meat, tortillas, cheese, lettuce, and tomatoes, water, tea and lemonade and Jan's watermelon drink, plates and plastic wear.)

Mountain Springs Community Center is the small white building with the gray roof and gravel parking on Mt Springs Ln turn off of 372 on to Mt Springs Lane.
