

EFBA Extraction Party

Saturday, July 20th

Mountain Springs Community Center
173 Mountain Springs Lane
Valley View, TX 76272
2:00-5:00 PM

If you are extracting, you will need to bring:

- ✓ Frames of honey. You can bring them in the super with something underneath to catch honey drips.
- ✓ Food grade bucket(s). For reference, a 5-gallon bucket holds 60 lbs. of honey. On average you get 20-30 lbs. of honey per full super.
- ✓ Gallon baggies or 1-2 gallon container with lid for cappings.

EFBA will provide a BBQ lunch with tea and lemonade as well as the plates, napkins, and utensils.

Bring your favorite dessert to share!

Please RSVP if you are planning on attending!
